QUESTIONNAIRE

The screenshot shows a web browser window with the URL `localhost:3000/questionnaire`. The page displays the PHQ-9 questionnaire. The title "PHQ-9" is centered at the top. Below it, the first question is "Little interest or pleasure in doing things?". There are four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The second question is "Feeling bad about yourself - or that you are a failure or have let yourself or your family down?". It also has four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The third question is "Feeling down, depressed, or hopeless?". It has four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The fourth question is "Thoughts that you would be better off dead, or of hurting yourself in some way?". It has four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The fifth question is "Poor appetite or overeating?". It has four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The sixth question is "Feeling tired or having little energy?". It has four response options: "Not at all", "Several days", "More than half the days in the week", and "Nearly every day". The browser's taskbar at the bottom shows various application icons and the system clock indicating 15:17 on 01-12-2020.

RESULTS

The screenshot shows the results page of the PHQ-9 questionnaire. The title "PHQ-9" is centered at the top. Below it, the text reads "Your score is 20 / 27 !!! you have severe depression Seek professional help". Below this, it says "Here are some resources that might help you". There are three links listed: "Vandrevala Foundation", "Indian suicide Helpline", and "Mpower 1on1". The browser's taskbar at the bottom shows various application icons and the system clock indicating 16:11 on 01-12-2020.
